Dear Sir,

Reception North Regional Programme
of the Nigerian Broadcasting
Corporation Kaduna

Thank you so much for your reception report of 23rd March, 1960. Your interest in this direction is most appreciated and we warmly welcome your reception log which compares most accurately with our programme records for the days stated 21st and 22nd March.

If in future you wish to send us more report we shall only be too pleased to furnish you with any particulars required by you within the limits of our ability.

We are sending you a complimentary copy of our quarterly programme schedule under separate cover.

In the meantime I should like to say how grateful we are and to congratulate you for the pains you have taken in listening in to some of our programmes.

Yours faithfully,

Controller,
Northern Region.

MO/Alhas.
